

Name – Nadar Jenifer

Roll No – 33

Subject – Open Source Web Development 304

Extra Assignment

OUTPUT:

The screenshot displays a web application with two main sections. The top section, titled 'Add Student', contains a form with the following fields: 'Name' (with the value 'jhel'), 'Roll No' (with the value '56'), and a 'Marks' section with three sub-fields: 'English' (87), 'Maths' (76), and 'Science' (89). A green 'Submit' button is located below the form. The bottom section, titled 'Students Marksheet', features a table with the following data:

Name	Roll No	English	Maths	Science	Actions
lily	1	87	87	65	Edit Delete
jhel	56	87	76	89	Edit Delete

The application is running on a browser at the URL 'localhost:5000/add'.
